THE H-SERIES

The Gregor H-Series, with its Intergrated Structural System, is designed for rugged use and excellent performance. **And now for 2015 sports a new more efficient seating arrangement including a storage compartment in the center seat.**

The modern level shear line with a superior bow and bottom design incorporating the HydroFlow Keel provides unequaled tracking and visibility. The reputation of these boats speaks for itself. Quality, Performance, Durability, and Safety - without the extra pounds
