2015 Ocean 20 & 22

Center Console

Get out of the bay and into the ocean. That's the call of the

Ocean Series. Offered in a 20 and 22 footer. This boat is just what the blue water fisherman has been waiting for. These deep-V's have the quality and excellence of design, engineering and construction you've come to expect from Gregor: The deep-V with Hydroflow Keel and flared clipper bow, our double-walled box chine and Integrated Structural System. This Integrated Structural System, our Longitudinal/Transverse Bulkhead System with Injected Foam, gives superior structural integrity with out adding unnecessary weight and at the same time deadens sound for a quieter ride. Then we've added a wide coaming, continuously welded to give unexcelled strength and stiffness.

STANDARD FEATURES

- ◆ Level Shear ◆ One Piece Bottom ◆ Unitized Construction ◆ 5052 & 6063 Marine Aluminum Alloy
- ◆ Heavy Duty Extruded Double-Wall Box Chine ◆ Enhanced Longitudinal/Transverse Bulkhead Integrated Structural System
