Super SeaHawk Walk-Thru

Also available as a Center Console

We have designed, engineered and constructed the Super SeaHawk to give you the highest quality boat available. Quality you expect from Gregor: The modern level sheer, the **Hydroflow Keel**, and superior bottom design with flared clipper bow for outstanding tracking and visibility - Integrated Structural System, our Longitudinal/Transverse Bulkhead System with Injected Foam for superior structural integrity without adding unnecessary weight while at the same time providing a solid and quiet ride - and our double wall box chine coupled with our continuously welded coaming for superior rigidity, strength and durability

Efficiency? Gregor has no equal. You don't need large horsepower required of boats with less demanding design and production standards. Durability? Our engineered Longitudinal Stringer / Transverse Bulkhead System coupled with Injected Foam translate into superior structural integrity and durability, plus sound deadening for a quieter ride.

STANDARD FEATURES

- ◆ Level Shear ◆ One Piece Bottom ◆ Unitized Construction ◆ 5052 & 6063 Marine Aluminum Alloy ◆ Heavy Duty Extruded Double-Wall Box Chine
- ◆ Enhanced Longitudinal/Transverse Bulkhead Integrated Structural System ◆ Full Length Continuously Welded Coaming ◆ Extra Large Bow Plate
- ◆ Bow Eye, Welded On ◆ Stern Eyes, Welded on ◆ Welded-in Consoles ◆ Welded Windshield ◆ Bow Casting Platform w/ Compartment & Fish Box ◆ Side Trays
- ◆ Compartments in Stern ◆ Bow Rails – Welded On ◆ Side Rails – Welded On ◆ Stern Down Rigger Brackets – Welded On ◆ Glove Box
